Creator: Indiana University South Bend

Title: Lundquist Faculty Fellowship and Memorial Lectures Collection.

#### Abstract:

The late Eldon F. Lundquist of Elkhart was a distinguished long-time member of the Indiana Legislature. He is remembered especially for his ardent support of higher education in this state. In 1979 his friends established an Indiana University (IU) fund in his honor. From 1979 to 1984 the IU fund was used to pay for the guest speakers that gave the Lundquist Memorial Lectures, such as Henry A. Kissinger. Since 1985 the income from this fund has been used to make an annual Lundquist Faculty Fellow award. The governing clause from the Instructions of the Administration of the fund reads as follows:

“The award shall be made to a meritorious faculty member of Indiana University South Bend, who has exhibited excellence in teaching, scholarly or artistic achievement, and diversified relevant service, preferably in community service throughout the Michiana region.”

#### Scope and Content Note:

Lundquist Faculty Fellowship and Memorial Lectures Collection contain folders of all the fellowship recipients and the memorial lecture speakers. These folders contain the following materials: interdepartmental memos, banquet receipts, lecture invitations, thank you notes and photographs. The First Memorial Lecture with Henry A. Kissinger as the guest speaker contains video coverage of the lecture. Along with the memorial lectures, the Lundquist Committee held Eldy Lundquist Memorial Golf Tournaments and the Eldy Lundquist Campaign to raise funds Lundquist Faculty Fellowship Award. In 1985 the Memorial Lectures were replaced by the Eldon F. Lundquist Faculty Fellowship Award. This change was due to the cost of paying for guest speakers. The committee decided at that point to use the funds to award faculty research. The collection houses information on the Eldon F. Lundquist Faculty Fellowship award recipients from: 1985 to 2015. The collection lacks Lundquist Lecture material from the following years: 1997, 2004, 2011, 2013, and 2015. The Lundquist Faculty Fellowship Award was not awarded in 2007, 2008, and 2010. This collection consists of four boxes of content as well as the Eldon Lundquist Faculty Fellowship Awardees Plaque that is located on the west wall of the IUSB Franklin Schurz Library foyer and the biographical collage of newspaper clippings on Lundquist's career held in the Archives' Work Room #009. This collection is arranged in chronological order.
