Title: IU South Bend: Student Activities Center Collection

Extent: 1.2 cubic feet

Abstract:

This collection documents the Student Activities Center (SAC) on the Indiana University South Bend Campus. The Student Activities Center is a student-centered athletics, recreation and activities building. Completed in 2001, the SAC is a 100,000 square foot facility that can seat over 1,800 for special events or athletic competitions.

Scope and Content Note:

The Student Activities Center (SAC) hosts many student activities and events at Indiana University South Bend. Including a running track, racquetball courts, basketball courts, and a weight room, among other features, the SAC is the site of group fitness classes, health fairs, and blood drives, as well as hosting many sports games at the varsity, intramural, and club sport

levels. This collection begins with material from the building's groundbreaking ceremony in 1999 and includes bulletin board posts, fliers, and monthly schedules from SAC-sponsored events such as Pap-a-thon, Finals Rec Relax, and Group Fitness and Dance classes. For material about sports such as Basketball, Raquetball, Whiffleball, and Volleyball, which hold practices and games in the SAC, please consult the IUSB Athletics Collection, which contains material about Varsity, Intramural, and Club Sports, as well as the Student Life Collection, which contains some additional material about Club Sports at IUSB.
