**Preferred Citation:**

[Item], Indiana University South Bend Student Government Association Collection, Indiana University South Bend Archives.

**Custodial History:**

These records were in the IU South Bend Student Government Association's care before they were deposited with Indiana University South Bend Archives.

**Processing Information:**

Processed by Alison Stankrauff, Indiana University South Bend Archivist.

Completed in Spring 2008. Eric Walerko, Student Archives Worker, processed more material thereafter. The Office of Student Life sent some additional items to the Archives in June 2013, some of which (notably records of SGA meetings on mini-cassette for the period September 2004-March 2005, and on CD-ROM for the period October 2005-April 2007 ) was integrated into this collection by Archives Worker Adrian Esselstrom in July 2013. More material from the Office of Student Life arrived in June 2014. This consisted of three binders containing SGA materials for fiscal years 2005, 2006, and 2007 and another binder holding documents relating to the revision of the Student Code in 2010. This material was integrated into the collection by Adrian Esselstrom in June-August, 2014. In the spring of 2015, we received an additional eight folders of SGA material, pertaining mainly to the SCA budget. This material, plus the documents containing the election results for the academic years 2012-2013, 2013-2014, and 2015, was integrated into the collection by Adrian Esselstrom in June, 2015. Additional material from the SGA was donated in June, 2017. Updated by Oyata Bulata in 2018.

**Scope and Content Note**

This collection documents Indiana University South Bend's Student Government Association (SGA) and predecessor organizations from 1967 to 2015, with some items undated. The collection is arranged in roughly chronological order, and includes materials from policies and formal documents of the SGA to records of SGA-sponsored events, such as Black History Month and the Student Leadership Awards Banquet. There is correspondence included in the files as well as meeting minutes, motions, budgetary materials, presidents' reports, and so on. There are lists of nominees and applicants to the SGA as well. Included is a list of all SGA presidents from 1967 to 2011,

plus the election results for the academic years 2012-2013, 2013-2014, and 2015. There are materials concerning the refurbishing of furniture in the campus lounge areas, including price quotes from Pen Products, a furniture-making entity within the Indiana Department of Corrections, which uses prison labor to both refurbish and build campus furniture. There was controversy at the time between the Student Association and the administration over whether to remove or retain the computers in the quiet lounge, and, more broadly, as to what the future use of the lounge areas should be. Materials from the dedication of the Wil Aretz Pavilion which is next to the St. Joseph River are included as well. A few additional large items from the SGA Collection are located in Drawer 6 of the flat storage cabinet in Room 009 and are inventoried in the [Guide to IU South Bend Flat Storage Collection](#).
