### **Scope and Content Note**

The Indiana University South Bend Student Directories Collection contains directories of students' names, addresses, and telephone numbers from 1966 to 1978. There are no holdings for the years 1969 1967-1968 and 1976. This collection also contains the Dean's List of 1967 – 1968, listing students who received a grade point average of 3.3 or higher. Also included are Student Handbooks for the years 1972 – 1973 and 1973 – 1974 1974 – 1975, and 1975 – 1976. These materials give an excellent record of the early days of Indiana University South Bend as it became more of a formalized campus. They are also the only such comprehensive data on students created before or after this time period.
